

Errata, addenda, and typos

Ben J. Heijdra*
University of Groningen

November 17, 2011

Note: in square brackets I occasionally comment on the particular correction.

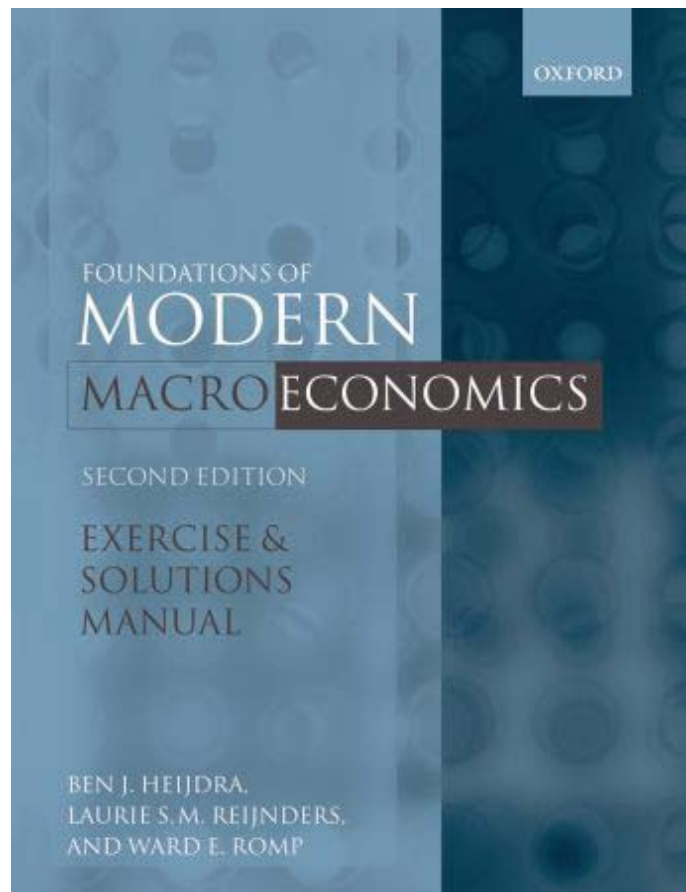

Figure 1: Frontcover of the manual

*Please send any errata and typos you may find to: info@heijdra.org. My gratitude will be genuine, profound, and eternal.

- page 80, first line of eq. (A3.22). Delete the 2 in front of $E_t Y_{t+1}$.
- page 186, eq. (A8.1) and the third equation: replace a by α .
